## PRECIOUS METALS COMMENTARY

Gold and silver prices are modestly lower in early-afternoon U.S. trading Monday, in a choppy, two-sided trading session. Both the bulls and the bears are cautious ahead of what will likely be a very active trading week. **December gold futures** were last down \$1.90 an ounce at \$1,231.40. **December Comex silver** was last down \$0.121 at \$14.635 an ounce.

Focus is on Tuesday's U.S. mid-term elections, which many believe will be a referendum on the performance of President Trump. Gains by the Democrats would likely be bearish for the U.S. stock market.

On Wednesday and Thursday the Federal Reserve's Open Market Committee (FOMC) meets to discuss U.S. monetary policy, with a statement due Thursday afternoon. No change in interest rates is expected at this meeting.

U.S. economic sanctions against Iran went into effect today, including the U.S. penalizing other countries that do business with the regime. [Source: Kitco](#)

**5 Year Gold London Fix PM Daily with 60 and 200-day moving averages**

### General Advice Warning

The contents of this document have been prepared without taking account of your objectives, financial situation or needs. You should, before taking any action to acquire or deal in, or follow a recommendation (if any) in respect of any of the financial products or information mentioned in this document, consult your own investment advisor to consider whether that is appropriate having regard to your own objectives, financial situation and needs. Whilst State One Stockbroking Ltd believes information contained in this document is based on information which is believed to be reliable, its accuracy and completeness are not guaranteed and no warranty of accuracy or reliability is given or implied and no responsibility for any loss or damage arising in any way for any representation, act or omission is accepted by State One Stockbroking Ltd or any officer, agent or employee of State One Stockbroking Ltd. If applicable, you should obtain the Product Disclosure Statement relating to the relevant financial product mentioned in this document (which contains full details of the terms and conditions of the financial product) and consider it before making any decision about whether to acquire the financial product.
